

Empirical Software Engineering International Week

September 17-22, 2012, Lund University, Sweden

Accommodation

Below you will find the official hotels for

Empirical Software Engineering International Week September 17-22, 2012

Note that these pre-booked rooms can not be booked directly through the hotels. Delegates should make their hotel reservation when registering for the conference on the registration form.

Due to coinciding events in Lund, the availability of accommodation during the conference will be limited. We strongly recommend that you make your travel and accommodation arrangements as early as possible.

All prices are in Swedish currency (SEK) and per room and night including breakfast, VAT and fees.
